## **April 19th Test Results**

The City of Hoonah's wastewater test results for COVID-19 collected the week of April 19th came back negative! We are asking that people continue to take advantage of the rapid COVID-19 test at the airport, between the hours of 8:00-10:00 a.m. and 3:00-5:00 p.m. This testing will take place all 7 days of the week at these times. Testing will allow us to ensure that we can contain the pandemic and stop it from spreading further in our community. Please keep practicing safety protocols. Wear masks, wash hands frequently, and practice social distancing. The wastewater testing will continue weekly for the near future. Stay vigilant!
