Dear Hoonah Residents,

The City of Hoonah, with the assistance of the University of Alaska, has been conducting a wastewater testing program as a means of detecting the presence of COVID-19 in Hoonah. The City is expecting results from the first round of wastewater testing on Friday, October 9, 2020.

The City is sharing this message with you in an effort to be transparent and keep residents informed. Please visit the City of Hoonah website for the latest updates and to view Hoonah's COVID-19 policies and procedures.

The City will continue to operate in close collaboration with local, state and tribal health officials and in regular communication with Hoonah residents. Please remain vigilant and continue to follow local, state and federal COVID-19 policies and health mandates.
