- III. **Agenda Items:**
 - a.) **Transient Moorage Rates 2016**
Transient Rates were discussed at length including review of rates from Ketchikan, Sitka and Juneau as a comparison. It was determined that the existing rates were too low and that the City needed to raise the rates to capture more revenue to subsidize the long term rate payers.
The Harbor Board recommends the Transient Rates be increased to the following rates:
.70 Per foot for vessels under 80 ft
1.50 per foot for vessels over 80 ft.
Weekly rate is equal to 5 days of daily rate
Monthly rate is \$7.00 per foot
3 Month rate is \$15.00 per foot
