### **Loading permit fees for City Docks and Floats.**

*\Basis for charge. For any business or individual to access City owned docks and or floats they must possess a valid loading permit. Two classes of permits are issued, "A" permits and limited loading permits. The "A" permit is assessed to each company based on the total number of seats for passengers, excluding the vessel operators. Limited Loading permit will be charged per year for Commercial users that access City Owned docks. All fees are assessed on a per calendar year basis.*

*Loading permit fees assessment:*

Permit Type	Fee
"A" Permit	\$30 per passenger seat Capacity
Limited Loading Permit	\$70 per year.
