Good Morning fellow community residents:

I am very saddened to hear that one of our local businesses will be forced to shut down. This letter is to provide clarification on the recent news of the termination of lease for a local business that is an asset to our community.

The City of Hoonah would like to inform the public that we have had no input or involvement in these actions; it is solely the local Tribal Government.

To further enrich open communication with the community, we frequently update the City of Hoonah website: [www.cityofhoonah.org](http://www.cityofhoonah.org). We encourage you to browse and visit our website as consistent updates will be posted monthly.

Respectfully,

A handwritten signature in black ink, appearing to read "Gerald Byers", with a long horizontal flourish extending to the right.

Gerald Byers, Mayor

City of Hoonah
